A Letter From Satan

This is fictitious, but I can imagine that old devil feels this way

A LETTER TO YOU FROM SATANI saw you yesterday as you began your dailychores. You awoke without kneeling to pray. As a matter of fact, you didn't even bless your meals, or pray before going to bed last night.You are so unthankful, I like that about you. I cannot tell you howglad I am that you have not changed your way of living, you are mine.Remember,you and I have been going steady for years.and I still don't love you, yet. He kicked me out of heaven,and I'm going to use you as long as possible to pay him back.You see, Fool, GOD LOVES YOU and HE has great plans in store for you.But you have yielded your life to me, and I'm going to make your life aliving hell. That way, we'll be together twice. This will really hurt God. Thanks to you, I'm really showing Him who's boss in your life with all of the good times we've had. We have been cursing people out, stealing, lying, being hypocritical, fornicating, overeating,telling dirty jokes, gossiping, being judgmental, back stabbing people, disrespecting adults,and those in leadership positions, no respect for theChurch, bad attitudes.SURELY, you don't want to give all this up. Come on, let's burn together forever.I've got some hot plans for us. This is just a letter of appreciation from meto you. I'd like to say 'THANKS' for letting me use you for most of your foolish life.You are so gullible, I laugh at you. When you are tempted to sin,you give in -- HA HA HA, you make me sick. Sin is beginning to take it's toll on your life.You look 20 years older, and now, I need new blood. So, go ahead and teach some children how to sin.All you have to do is smoke, get drunk or drink while under-aged, cheat,gamble, gossip, fornicate, and live being as selfish as possible. Do all of this in the presence of children and they will do it too. Kids are like that.Well, I have to let you go for now. I'll be back in a couple of seconds to tempt you again. If you were smart, you would run somewhere, confess you sins, live for God with what little bit of life that you have left. It's not my nature to warn anyone, but to be your age and still sinning, it's becoming a bit ridiculous. Don't get me wrong, I still hate you.
