Pregnant Turkey Story (Fiction?) (NO!)

Thought this was appropriate to pass along just before Thanksgiving. Hope no one would fall into this category but it is very funny.

One year at Thanksgiving, my mom went to my sister's house for the traditional feast. Knowing how gullible my sister is, my mom decided to play a trick. She told my sister that she needed something from the store. When my sister left, my mom took the turkey out of the oven, removed the stuffing, stuffed a Cornish hen, and inserted it into the turkey. She re-stuffed the turkey, then placed the bird(s) back in the oven. When it was time for dinner, my sister pulled the turkey out of the oven and proceeded to remove the stuffing. When her serving spoon hit something, she reached in and pulled out the little bird. With a look of total shock on her face, my mother exclaimed, "Patricia, you've cooked a pregnant bird!" At the reality of this horrifying news, my sister started to cry. It took the family two hours to convince her that turkeys lay eggs! YEP ... SHE'S BLONDE!
