Baptist International Missions Inc.

Baptist International Missions, Inc. (BIMI) 8614 Harrison Bay Road Harrison, TN 37341 We are a faith mission agency. Every missionary must trust God by faith to provide the financial and prayer support needed to enter the mission field. Missionaries are not guaranteed support by BIMI. They receive faith commitments from churches who agree to undertake their financial and prayer support. This includes all of the various directors. Financial integrity demands accountability. As good stewards of the funds God has entrusted to our care, we are accountable both to the government and to supporting churches. Financial accountability is maintained through a yearly audit conducted by an independent accounting firm.
