Church management software, child check in systems

By the Book, Inc. 9479 N Woodgate Ln Byron, IL 61010 (815) 234-7530 Roll Call church software allows you to create a centralized membership database so you always have accurate contact information. You'll be able to easily record and report on contributions and pledges. Roll Call also includes a child check in system, so you can ensure the safety of the children in your care. Roll Call runs on a Mac, PC or a network.
