Msg #1121 The REAL 2nd Coming of Christ What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice On Sunday May 22nd 2011 we worshiped the resurrected and soon returning Lord Jesus Christ. Those who take the old Roman Catholic allegorical interpretations of Holy Scriptures, rather than their more honest literal rendering, will forever make ludicrous predictions about the end times and the Second Coming of the Lord Jesus Christ. In the Bible the literal rendering of the Second Coming of Christ entails his receipt of the Kingdom from his Father, wherein He will rule and reign with his saints from the literal Throne of David set in God's literal Holy Hill of Zion. Allegorical interpretation says that there is no Millennial Reign of Christ, only a Vicar of Christ bringing in a Kingdom Age ruled from the seven hills of Rome. That's their interpretation. The literal rendering for the Second Coming of Christ entails a literal seven year period of tribulation with 7 seals of preparation, 7 trumpets of warnings, and finally 7 vials of the wrath of God poured out on this world, before there is a great battle called in the Hebrew tongue Armageddon. Allegorical interpretations started with philosophers of Alexandria Egypt, (where all modernist Bibles have their roots) say the tribulation period is already started and is somehow been ongoing for these past 1900 years? That's their interpretation. The literal rendering for the Second Coming of Christ entails Jesus coming FOR his saints, to resurrect them and meet them in the air, where they are 'caught up together' out of this world "for God hath not appointed us to wrath," AND His coming WITH his saints to a battle called Armageddon after that wrath is poured out. Allegorical interpreters say that is a new teaching and their Church Fathers from Alexandria never believed such a thing. Well Dhaaa! Stay literal, reject the reformed false teachers.
