Msg #1122 Memorials and Liberties What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice It is shocking that only 1 in 5 (20%) of Americans know what Memorial Day is for. Fewer know that a constitutional right differs from an unalienable right which men have died for. Trained K through twelve that they are a chance product of evolution with no Creator, they cannot comprehend a God given unalienable right. It is the God of the Bible quoted on the Liberty Bell. The god of Islam never says to "Proclaim Liberty throughout the land to all the inhabitants thereof." Both Osoma and Obama valued an "Arab Spring" but neither valued the words of Woodrow Wilson who said "The history of Liberty is a history of limitation of governmental power, not the increase of it." President Thomas Jefferson said "God who gave us life, gave us liberty. And can the liberties of a nation be thought secure when we have removed their only basis, a conviction in the minds of the people that liberties are a gift from God?" An "Arab Spring" will bring an Israeli Fall except for the fact that the 2nd coming of Jesus Christ has everything to do with the deliverance and restoration of God's chosen people, Israel, into God's promised land. The men who wrote "We hold these truths to be self evident" wrote it with their Bibles wide open, not banned form schools or hidden from government. Learned-Clergy banning Bibles brought about dark ages previously. Christians, if there are even 20% left in our society, are to be children of the light with Bibles readily available and aptly used to provide light to this world. "Study to shew thyself approved unto God, ... rightly dividing the word of truth." Be children of light in these dark times. Read your Bible out loud.
