

Out of the mouth of babes

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, 'Now, class, if I stood on myhead, the blood, as you know, would run into it, and I would turn red in the face.' 'Yes,' the class said. 'Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?' A little fellow shouted, 'Cause your feet ain't empty.'
