Maranatha Bible Baptist Church

Fulton Michigan

(Updated- Dec 9, 2019)Need: Bi-Vocational, Self-Supported or Missionary PastorMaranatha Bible Baptist Church16990 S 38th StFulton MichiganFacebook PageMaranatha is a country church in a township of 1,400, near the Indiana border, 35 miles south of Kalamazoo MI.Due to the health of our current pastor, we are in the process of looking for a Fundamental Baptist, KJV man, willing and able to help lead and grow an old country church with a timeless message. He should have a Church Planter/Soul-Winner's heart.The church currently has six faithful tithing members with average of 10-15 each week. The church is paid for, well maintained, and all bills are being paid with a savings account and healthy budget but is not yet able to provide a salary, so the man will need to be self-supported. (we are working towards it but need more tithing members). Church can remodel a few rooms and restroom into a parsonage if needed. Please contact us through the church's Facebook Page.
