Robert Carroll

East Tennessee

Pastor/preacher seeking a church that has a need. I live in East Tennessee and would be available to go wherever the Lord would lead. I would hope to be in some of the neighboring states/areas, such as North, South Carolina (where I served for many years) Virginia, West Va. Kentucky, points west in Tennessee. I can accept a bi-vocational post as I have an income, but would need some help with living, maybe a church-owned house. Just an old-fashioned preacher that preaches "Grace", uses the KJV and believes EVERY word that's written to be the inspired, infallible word of God. Robert Carroll
