Serving Families for over 26 years

10/2017 Welcome to our new Keepers of the Faith site! When we closed our doors and retired after thirty years, so many people phoned or wrote to ask us if we couldn't make pdfs so they could continue on and new families, clubs, and churches could begin clubs. How could we say no? And so that is what this little site is all about—Keepers of the Faith Clubs and materials for all who desire to use them. This site is brand new or shall we say "still under construction," so check back often for updates.
