Pastor R. G. Lee - Payday Someday! (Pt. 1 of 4)

Pastor R.G. Lee was born November 11, 1886, and died July 20, 1978. The midwife attending his birth held baby Lee in her black arms while dancing a jig around the room, saying, "Praise God! The Lord has sent a preacher to this house." "God-sent preacher" well describes Dr. Lee. Few in number are the Baptists who have never heard his most famous sermon, "Payday Someday!" If you haven't heard it, or read it, surely you have heard some preacher make a favorable reference to it.
