### Dial-the-Truth Ministries

Welcome to Dial-the-Truth Ministries. We are a King James Bible believing ministry presenting the truth and exposing error with the Word of God. We provide informational tracts on the King James Bible, exposes of corrupt Bible versions, false teachings, Christian music, rock music, youth issues, prophecy and current events. Much of our material is also available in printed tracts and booklets, along with our "witness" buttons, in the "Order Items" section.
