Msg #2117a A COVID No Fear Notification

What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice

Msg #2117a A COVID No Fear Notification What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice Cover your mouth to cough, like your grandmother taught you. Liberal left factions of our government are lying to us and controlling people by fear and intimidation. They use deceiving COVID “science” to herd people around and terrify. They suppose the world will end from carbon-dioxide! as they strive to abolish the use of God's natural and abundant fossil fuels. They legislate that choosing gender is a civil-right not an XY chromosome thing. They demonize the police that protect us. They hypothesize evolution and demonize our Creator and his Only Begotten Son. The truth is the flue kills more than COVID; carbon-dixoide is natural, we exhale it, global warming is the farce; XY chromosomes do exist; sodomy is abomination; life begins at conception; there is no systematic racism in America; and it don't matter how long you breed beagles you will never get a Clydesdale horse! God could send an allege bloom tomorrow that eliminates fifty years of our carbon emissions, He could send up a single blast of volcanic ash that would lower global temperatures by those three degrees that terrify Al Gore and Joe Biden. Tired of all the lies? Get into a Bible believing church and hear truth. What is truth? Jesus said “I am the TRUTH!” For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind... There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.(2Tim1:7, John4:18) Know Christ, No Fear! No Christ, Know Fear! If you are a born-again, saved by grace, converted to Christ, Christian you need to be in a Bible believing church with folks of like faith. In 2021 Preach Acts 2021 because of John 2021. An Essay? for week #17 - Apr 25, 2021 Copyright © 2021 Good Samaritan Baptist Church, All Public Domain, Freely Copy and Distribute.
