Young couple to assist in the ministry

We have begun praying that God would send us a young couple to assist in the ministry here in Central Kansas. We need help in the areas of music (song leading/piano playing), visitation, some preaching and teaching and other ministry needs. We are a growing church, but would not be able to provide much of a salary at this time. We may be able to give temporary housing and assist in finding gainful employment. We would also give you a church that will love and support you and a Pastor that will give you experience in all areas of ministry. God willing this would lead to at least a part-time staff position and maybe eventually transitioning into full-time (the pastor is not supported fully by the church). If you would be interested in prayerfully discussing this further with me, I would be glad to speak with you at any time. You can visit our website, or go to our Facebook page, to learn more about our church.
