What The Bible Says - Good Samaritan's Penny Pulpit by Pastor Ed Rice

Msg #2339 Thursday Day 5 The Father's Business What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice As morning dawned on the first Thursday of all creation, Earth saw its first sunrise. That first ever in the universe sunrise was accompanied by whales blowing and birds singing. God says what he means and means what he says. And on the fifth day he wrote that he said, "Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven. 21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good" (Gen.1:20-21). For the Bible believer NASA spending billions on OSIRIS-REx to probe an asteroid, and researches spending millions researching retrieved dirt in an effort to discover how life originated, is MUTE. God spoke. That is why we call it a Uni-Verse, his Word spoke it into existence. Only believe. Yesteryear Nye, deGrasse, and Maher collaborated to put Bible believing parents in jail for child abuse! In this evil day Bible believers need to collaborate to be about their Father's business. That evil trio were not condemned for collaborating such trite, mankind is condemned already! "For God sent not his Son into the world to condemn the world; but that the world through him might be saved. 18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God. ... 36 He that believeth on the Son hath everlasting life: and he that believeth not the Son shall not see life; but the wrath of God abideth on him" (Jhn.3:17-18, 36) Preach that Gospel to every creature.
