## Grace Baptist Church, Washington Kansas

### Seeking a bi-vocational pastor

GBC is Independent Baptist, only uses the KJV, and worships with traditional music. The church, which includes a good mix of ages, is healthy and eager to grow under the leadership of their next pastor. They were established 35 years ago, own their own facility (in great condition), and are debt-free. Washington and St. George (located in the south west corner of the state) run together along I-15 and have a combined population of 112,000. The area is rapidly growing with numerous outreach possibilities. Interested candidates should submit a resume (including testimony, statement of faith, and references) to Mike Gross (Open Door Ministries), [opendoor2america@gmail.com](mailto:opendoor2america@gmail.com).
