Need: Bi-Vocational, Self-Supported, or Missionary Pastor

(The church just voted to change its operating name to be Kelsey Bible Baptist Church will be official March 12) This is an Independent Baptist Church that uses only the KJV and traditional music. Small mountain church established in 1914. The church's former pastor has retired as of Nov. 1 2023. We have an interim in place. A small salary can be provided, but the pastor needs to be bi-vocational, missionary, or self supporting. Church building and property are free and clear, with no debt. Recently remodeled. Small congregation of around 20 people. The church has a sweet spirit and wants to follow the man of God as the Lord leads. There is a lot of potential and need for a good Gospel preaching church in this area.
