What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice Some perspective can be added to America's plight by examining Scriptures. First a fictitious debt ceiling that must be breached so we can continue to 'give-give- and give' to our nonworking populous reminds me of Proverbs 30:15 "The horseleach hath two daughters, crying, Give, give." Once a democracy figures out it can vote itself higher entitlements 'the hand writing is on the wall.' America is becoming an eerie foreshadow of Revelation 18 "Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird." The Muslim hordes sweeping into nations to practice 'freedom of religion' do not have a religion but a theo-political, legal, economic, militant, governing system charged to overthrow governments and control nations. While our president calls it a 'great religion distorted by some extremists' America will not even realize she is courting Babylon, "that great city which made all nations drink of the wine of the wrath of her fornication." So to America's god of pluralism unites with Roman Catholicism to teach our children that we evolved here from primitive life from a primeval sea and mystery Babylon presses on toward Revelation 17. What is a Christian to do? March on Washington? Descend on Albany? Have a TEA party? No. A true Christian is to do just what they were commissioned by the Lord Jesus Christ to do. Although the philosophers of Alexandria tore it out of their debase manuscripts, used in all modernist Bibles, the 400 year old King James Bible still says in Mark 16 "Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned."
