Msg# 1234 Our Comforter is Their Reprover. What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice

The 16th chapter of John continues the discourse Jesus undertook to prepare his disciples for his departure. "These things have I spoken unto you that ye should not be offended." Believers will be killed in the name of the Lord, yeah they will suffer all kinds of wrong for his names sake. They have. It's surprising today how both Islam and sodomy are accepted in our society and government schools where both the Holy Bible and the name of Jesus Christ are cursed, mocked, and banned; but we were warned that it would be so. This world hates Christ and his believers. Present in the believer is the comforter, and although he is that to us, to the world he is the reprover. He leads us into all truth, but he reproves the world of sin because they believe not on Jesus the Christ. He seals us forever in the righteousness of Christ, but he reproves the world of theirs because all their righteousnesses are as filthy rags. The Comforter compels us to know the judge of the quick and the dead but he reproves the world that "as it is appointed unto man once to die, and after this the judgment," they fear, curse and reject the righteous judge and his righteousness judgments. This society, about to replace a sodomy approving, baby killing, liberal leader with a pagan Mormon -Roman Catholic economy team, is no friend of my Lord and God, Jesus Christ. They might put a band aid on our hemorrhaging, socialist economy but it will take your witness filled with the Holy Spirit of God to fix the soul of this nation. Your presence will reprove the world of sin, righteousness, and judgment today, give them the Gospel of Christ while you are at it.
