Msg# 1243 The Transition to the Next Dispensation What The Bible Says Good Samaritan's Penny Pulpit by Pastor Ed Rice The seven year transition from the Church to the Millennial Kingdom is easily outlined by the Bible believer who rightly divides the Word of Truth. It is transitional and described by Christ as a "Great tribulation such as was not since the beginning of the world to this time..." In the Revelation a close of this world as we know it is written in a seven sealed book that can be opened only by "the Lion of the tribe of Judah, the Root of David, ... the Lamb as it had been slain, having seven horns and seven eyes." Before the book is open the seals must needs be removed and seven trumpet blasts, each saying "I told you so," must be sounded. When the Lamb, that the believer knows, removes the first seal on the book, out comes a conqueror on a white horse. The three horses which proceed from the next three seals make it evident that this conqueror is not a good nor permanent thing. Indeed, just as the seal removal is preparatory to the opening of book, the events related to each seal are preparatory to the wrath the will unfold in this seven year tribulation. The seventh seal unveils seven trumpets, also preparatory to the opening of the book. At the halfway point through the seven years, 3 ½ years in, when the abomination of desolation breaks the contract set up with Israel, the seals are gone, the trumpets promising woe have all sounded, the wrath of God begins to pour out of the opening book. The world scoffs and laughs at the number 666 and a battle called Armageddon. The Bible believer has been given these truths to ennoble and embolden their witness. Let it have its perfect work.
