Special 2016 Election Penny Pulpit

This is a Special Penny-Pulpit Election Alert from Pastor Ed Rice Special 2016 Election Penny Pulpit from Good Samaritan Baptist Church, Pastor Rice Greetings in the name of the Lord Jesus Christ In these next days it will be determined whether the United States of America's highest office will be bought by an arrogant egotistical incompetent, or sold out to a feminazi socialist with a secularist sodomite despise for the Lord God. Voting for the lessor of these two evils is no small contest. Neither party asked God to forgive and have mercy on America. There will be no victories in this election, only varied levels of rebellious leadership and of our country's collapse. I am committed to pray for America every day through Tuesday, 8 November; confessing her sins, her false god's, and foolish, rebellious pride; asking the LORD God to awake her citizens, and revive her faith in our Lord Jesus Christ, God's Only Begotten Son, our only answer. May God have mercy on America. Pastor Ed Rice, www.GSBaptistChurch.com "Prayer and the governing of the United States of America have been forever forged through fiery trials in American history. As British troops were attacking Boston the response of the legislative leadership was to bow in intercessory prayer and humbly petition the Author of Liberty for His protection and providential guidance."
