### A Prayer Request Through DC?

Little Billy wanted \$100 badly and prayed for two weeks but nothing happened. Then he decided to write God a letter requesting the \$100. When the postal authorities received the letter addressed to God, USA, they decided to send it to the President . The President was so impressed, touched, and amused that he instructed his secretary to send Billy a \$5.00 bill. The President thought this would appear to be a lot of money to a little boy. Billy was delighted with the \$5.00 and sat down to write a thank you note to God, which read: Dear God, Thank you very much for sending the money, however, I noticed that for some reason you had to send it through Washington D.C. and, as usual, those crooks deducted \$95.00. Thanks, Billy
