Service Restored

Note from hosting provider: Please accept our apologies. At 2022-10-13, we experienced down time which affected your website. We understand how important your online presence is to you, and we apologize that in this case we weren't able to meet the high standards for service you've come to expect from us. We realize we've put you in a situation that's prevented you from reaching your online goals. To help prevent this type of event from happening in the future, we will be doing a full internal investigation of this issue, working to thoroughly determine the root cause and the scope of its impact. Thank you for your patience, we greatly appreciate it. Thanks, Jan R
