Foundation Bible Church(Former Victoria Independent Baptist Church)1162 Old Goliad RdVictoria, TX 77905(361) 935-118312/10/17 All the members of our church were present tonight for our business meeting. They unanimously voted to change our church name. We are changing it to Foundation Bible Church. I am so grateful that God has brought these folks together to serve Him here in Victoria. It is the Lord's work and this dedicated group, His workers. Pastor Todd.Of course, some will ask way. The short answer is that all denominations carry with their identity a specific history, ideals and doctrines. In the case of Independent Baptist, some of those things we agree with, some we don't. We just prefer to be known as Bible believers and feel strongly that people should judge us by who we are and not associate us with any denomination or movement. Pastor Todd
