Baptist Children's Home 354 West St Valparaiso, IN 46383 (219) 462-4111 At Baptist Children's Home we bring hope to hurting and troubled children and families, striving to teach them how to live godly in spite of painful or seemingly unfair circumstances. We provide this hope through group home and foster home care for children, Christian family and/or personal counseling, family life conferences, adoptive services and care for pre-born children. In short, if it affects the family, BCH is there to help. Baptist Children's Home was called into existence in 1955 by churches seeking assistance in caring for families and children. BCH, according to the biblical mandate in James 1:27 to "Care for the Fatherless", answered this call and today cares for more than 500 children in the United States, India, Myanmar and Liberia.
