### Growing Godly Leaders

Christian Service BrigadeP.O. Box 1010Hamburg, NY 14075(716) 526-0026Building young men into godly leadership is difficult to do alone. We want to equip you with what we've learned about discipling boys and young men from over 75 years of ministry. We know that boys learn spiritual lessons best in the context of hands on activity under the discipleship of mature Christian men. No need for you to re-invent the wheel. We are eager to share!
