Clearwater Florida (FL)

As of 04/01/16 their website clearwater.edu is still operating but show the following content: After 49 years of ministry as a Christian liberal arts college, Clearwater Christian College has closed; however, we are confident of the truth found in Philippians 1:6. "And I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ." General Inquiries Until further notice, direct general communications to /* */ or by telephone at 727-726-1153. Transcripts and Records Cedarville University has agreed to house our academic transcripts. ***Coming soon*** We are pleased to announce that, effective March 1, Clearwater Christian College students will be able to request their transcripts electronically through the "Transcripts on Demand" program from Credentials Solutions, Inc. Ordering online is the most efficient and secure method to request your transcript and results in many service benefits. Cedarville University is in the process of finalizing our preparations to implement this system for Clearwater students. Details regarding this transcript request process will be available at the Cedarville University website very soon. At the time of this change, a transcript fee of \$10 will be applicable for each transcript that is requested. *****Currently, alumni and former students may request a transcript from Cedarville University.
