The Carpenters Project

Welcome to The Carpenter's Project (TCP). We are an organization with a heart for missions! Our desire is to encourage Christians to support missionaries at home and abroad in spreading the Gospel of Christ. We invite you to examine our active projects, and become a part of our ministry team. The Carpenter's Project was established in December 2001 as a non-profit 501c3 corporation, and operates as a ministry assisting any independent fundamental Baptist missionary effort.
