Goodlettsville Tennessee (TN)

In a day and time when “traditional” may not be viewed as the “in thing,” the Perrys are a breath of fresh air. In fact, their desire to always keep close to the traditions upon which Southern Gospel Music is based is exactly why the Perrys are considered one of the all-time great groups of this uplifting music form. The Perrys have been singing Southern Gospel Music for 35 years- a remarkable feat in any musical genre. The Harper Agency P.O. Box 144 Goodlettsville, TN 37070 (615) 851-4500
