Disclaimer - this is a site operated by LIBERALS - be wary of it! It can be very biased!Q: Is everything on this site about 'urban legends'?A: In a strict folkloric sense, no. Urban legends are a specific type of folklore, and many of the items discussed on this site do not fall under the folkloric definition of "urban legend." We are following the more expansive popular (if inaccurate) use of "urban legend" as a term that embraces not only urban legends but also common fallacies, misinformation, old wives' tales, strange news stories, rumors, celebrity gossip, and similar items.
