Global Fundamental Baptist Missions P.O. Box 1195 Newnan, Ga. 30264 (770) 304-8980 Global Fundamental Baptist Missions is a Faith Based Missions Organization commissioned to spread the Gospel of Jesus Christ to a lost and dying world. We at GFBM endeavor to provide a mission organization through which local churches can extend their support of Christ-like, separated, soul-winning missionaries. It is our sincere desire to aid the missionary in getting to his field of service, and to assist the missionary in any way possible once he or she reaches the field.
