Whitakers North Carolina (NC)

502 W. Pippen StreetWhitakers, NC 27891(800) 688-3008Positive Action For Christ is a publishing house specializing in youth curriculum for fundamental churches. It began as a single ProTeen club in 1969 at Falls Road Baptist Church in Rocky Mount, North Carolina. Soon other churches wanted to use the materials Frank Hamrick had written for his teens, and by 1971 thirty-five churches were using Frank's materials. A board was formed to govern the fledgling ProTeen ministry and the organization incorporated as Positive Action For Christ, Inc. in July 1972.
