Everything the first century churches were taught to believe and practice, we strive to believe and practice. Secondly, we would be categorized as ANABAPTIST.

Living Faith Christian Fellowship Pastor Mark Q. Bullen 27216 Ingel Road Brookfield, MO 64628 (660) 258-2201 We are giving our lives to establish and maintain a "first century apostolic" type church body, which is what Jesus commanded and intended for his people to do. First and most important, we are APOSTOLIC in our faith and practice. This means we follow the first century faith and practice taught by the apostles of Christ. Everything the first century churches were taught to believe and practice, we strive to believe and practice. Secondly, we would be categorized as ANABAPTIST. These were apostolic Christians who separated from the apostate Roman Catholic churches and remained true to Scriptural principles through the dark ages up to the Reformation.
