New Manna Baptist Church Home of New Manna Christian School Pastor Tony Shirley 245 E Court St Marion, North Carolina 28752 (828) 652-7505 New Manna Baptist Church desires to be an Old fashioned, Independent, Fundamental Baptist Church. We have made these conscious choices based on convictions born from the Word of God. The Baptist Distinctives, (the Bible as our soul authority, autonomous-independent churches, born again church membership, baptism by immersion of believers only, soul liberty, religious freedom), and the fundamentals of the faith (virgin birth, virtuous life, vicarious death, victorious resurrection, visible return) are both important and sacred. Furthermore, we have decided, by the Grace of God, to remain an Old-time church in our worship. We would love to have you visit in any or all of our services or special events.
