Yedidim of Israel

<http://jav-yedidimofisrael.blogspot.com>

An uncompromising stand with the Jews' right to all the land in Israel.

A collaboration of over 7,600 independent Baptist churches in America. In February, 2004, Prime Minister Ariel Sharon announced his plan for a unilateral withdrawal of Jews from Gush Katif in Gaza and Northern Samaria. This plan came as a surprise and shock to more than 8,000 settlers. The eviction of the Jewish people from their homes took place August 15 - 22, 2005. The website provides reasons why our organization is against such deportation:
