#### The Ministry of Don and Sheryl Rooks

CPMinistries purpose is to minister to all people -- especially those in full-time ministry, who do so much ministering to others that they are often overlooked as having needs of their own. CPM is especially concerned for those considering leaving the ministry for whatever reason. Also to the lay person who needs enrichment and restoration in their lives. To aid in restoring families and pastors to useful work in expanding the gospel of Jesus Christ. Purpose \* Restoring Troubled Relationships \* Better Communication \* Conflict Resolution \* Identity in Christ
