### Operation Liberty (Evangelist Dr. R.L Kidman)

<https://operationlibertyministry.org/>

We are Independent Baptist sent out of our Local Baptist Church as Missionaries to our Military.

It is our desire to see our Troops helped both physically and Spiritually. Jesus met the physical need of a person in order for them to see their Spiritual need of Him as their Saviour. We are here to serve our Troops and their Families by being a true Servant of the Lord Jesus Christ.
