Amberg Wisconsin (WI)

Victory Academy for Boys West 4705 Wallace Road Amberg, Wisconsin 54102(715) 759-5976 Need help with your child or teen? We have open enrollment. Victory Academy is a therapeutic boarding school for boys age 12-17 with tuition that is generally less than many similar programs. The academy was incorporated as a 501c(3) non-profit organization. The Wisconsin property has been developed to include three staff homes, a school building, maintenance garage, and an 8,000 square foot boys home. The property has trails and recreation areas and room for expansion as God leads and provides. The work with the boys has been evaluated and sharpened over the years and a streamlined program has been developed that intensifies the impact on the hearts of the boys and their parents.
