Alabama Youth Congress

<http://www.alabamayouthcongress.org>

Welcome to Alabama Youth Congress.

A Congress is a representative group that meets together to take action for their generation. The Alabama Youth Congress is a state-wide youth revival. The emphasis is on stirring young people to win souls and to pray about planting a church in Alabama. If we do not have a burden to reach the people of Alabama with the gospel of Jesus Christ, THEN WHO WILL? Bring your young people to cast their vote for revival in Alabama! It is our prayer and desire to see 500 young people attend this meeting every year, to see some accept Christ as Savior and to see others surrender to the ministry.
