### Rockaway New Jersey (NJ)

Faith Family Fellowship(Former First Baptist Church of Rockaway)Dover, New Jersey 07801In July 2017 the church voted to change its name to Faith Family Fellowship. The purpose of the name change is two-fold. First, we want to remove any denominational barriers that might prevent anyone from coming to the church. Although we continue to be a Bible believing, faith-proclaiming, people-loving congregation, we are Christian more than anything else.Second, it is a restart or re-boot to present us to our community as a caring, loving, Christ-like congregation. A banner outside our building humbly says to all that "Broken People are Welcome Here".
