My ventriloquist figure "Jason Basswood" an eight year old troublemaker that Ialways used Bible principles and visuals to convey Bible truths."Jed Snod whistle" my 85 year old bald headed redneck farmer that plays the guitar and tells stories of his crazy relatives and funny happenings at church functions. My 45 minute presentation is visualized with music Bible verses and illustrations. I trusted Jesus Christ as my personal Saviour through the Christian servicemen's center in Newport RI. While serving in the U.S. Navy.I later graduated from Bob Jones University with a Bachelor of Arts degree in practical Christian training with a minor in music
