God has used the tool of your POSITIVE RECOMMENDATIONS over the last 4 years to make this all possible. It's all free because of those of you who use the voting links on each sermon, and it helps spread the Word of God at the same time. SermonCentral.com is where many of you learned of this ministry, and they have changed their voting to the 'star system' [rate up to 5 stars with a click] It's easier than before and I think better. In 10 seconds you can make a difference in 3 simple steps: 1.) Click on the 'recommend' button under any sermon on our site 2.) The same sermon will open up in a new page on the SC site...click on the 'rate this sermon' link right below the 5 stars 3.) Click on the far right star to give the highest recommendation if you can." Here's the voting link from an example sermon we feature: Recommend this sermon to others. This message is about Pastors being able to relax and get away, and how our people can help. Let's see how far this message can go thru the church community by all recommending it today...and thanks again for helping to spread the Word and keep this ministry free! Bonus Sermons included only in the "Complete Collection": "Ark Almighty" - Hebrews 11:7 Uses "Evan Almighty" theme - GET SAVED, GET RIGHT, GET INTO CHURCH! How parents of today can construct an ark of protection for their household. "Allah is NOT My God" - Genesis 16:11-12 The real Path to 911 started with Ishmael. A study of the differences between Christians and Muslims, Jehovah God and Allah, and Jesus Christ and Mohammed. Islam is not just another denomination down the street. Learn what they believe and why, and the terrorism connection in light of Bible Prophecy. "Israel & The Middle East For Dummies" - Genesis 12:1-3; 16:1-4; Psalm 122:6 Christians of all people should not be ignorant of these things, and the signs of the 'end times' now upon us. You say: "It's amazing that this ministry is free...no one else is doing this with Sermons and PowerPoints" We say: Please help keep it free by honoring our system: By design and intent, this sermon service will always be free-but this is made possible by those of you who take the brief moment required to vote for the sermons after you click on them. You do this from the link on each sermon page which says "Click here to recommend this sermon ministry to others." Help spread the Word by casting your vote...it's a proven system that keeps this ministry free! If you don't, it's still free! But many thanks go to those who help make it free for everyone and are helping to spread the Word in the process. You too have the "spirit of sharing" and are a great part of this ministry! How have some received a series at no cost? Benefits to CD-ROMs: No downloading, no waiting, no confusion. No cutting and pasting. Text comes completely formatted in Microsoft Word. No hassles converting PowerPoint "pps" files to "ppt". Already organized in folders for easy indexing. *Remember, all sermons on the site are free to download if you don't mind the work.
