Cow-human cross embryo lives three days - AU News

http://www.worthynews.com/top/news-com-au-story-0,23599,23476268-38200,00-html-from-public_rss/

Human-cow embryos have been created in a world first at Newcastle University in England, hailed by the scientific community, but labelled "monstrous" by opponents.

Date created: 2009/04/19
