China: Officials Reach out to House Churches; Raids, Arrest Continue

<http://www.christianpersecution.info/news/china-officials-reach-out-to-house-churches-raids-arrest-continue-17398/>

In recent months Chinese officials have attempted to build bridges with the Protestant house church movement even as police raided more unregistered congregations, arrested Christian leaders and forced at least 400 college students to swear they would stop attending such worship services.
