China Permits House Church To Gather Again; Restores Water And Electricity

<http://www.christianpersecution.info/news/china-permits-house-church-to-gather-again-restores-water-and-electricity-16509/>

Pastor Zhang "Bike" Mingxuan and his wife celebrated their first peaceful Sunday in more than three months after officials restored their water and electricity and permitted their house church to gather, their supporters said Wednesday, October 1.
