Luke 11:33-36

<http://victorybaptistchurch.wordpress.com/2009/05/10/luke-1133-36/>

Listen to this sermon here Last week there was an article in the news that caught my eye.Â In case you didnâ€™t see it, let me read part of it to you: An incredible 95 percent complete fossil of a 47-million-year-old human ancestor dubbed Ida has been discovered and, after two years of secret study, an international [...]
