Is Psychology Schizophrenic?

[https://crev.info/2022/09/is-psychology-schizophrenic/?utm\\_source=rss&utm\\_medium=rss&utm\\_campaign=is-psychology-schizophrenic](https://crev.info/2022/09/is-psychology-schizophrenic/?utm_source=rss&utm_medium=rss&utm_campaign=is-psychology-schizophrenic)

Psychology is so stuck on an illogical paradigm, it is out of touch with reality. As it tries to explain schizophrenia, it exemplifies it.
