## Granddaughter Invents Apparatus to Hug Grandma

<https://www.PreachingToday.com/illustrations/2020/august/granddaughter-invents-apparatus-to-hug-grandma.html>

With a little ingenuity and some low-cost materials, Carly Marinaro provided a miracle for her grandmother Rose Gagnon. That miracle came in the form of a hug. 85-year-old Gagnon said she hadn't hugged any of her grandchildren in over two months before Carly came up with a makeshift solution, ...
