Ruis and Cuba

<http://childrenslighthouse.blogspot.com/2018/04/ruis-and-cuba.html>

Need some heavy prayer for pastor Ruis. He has finally returned from Cuba to Nicaragua. I talked to him on video chat today and need to visit as soon as I am able. He is very sick. His feet are deeply infected from the many miles of walking and helping in Cuba in the Hurricane aftermath. He is insulin diabetic and cannot afford the meds or care he desperately needs. He needs to be under hospital care and direct antibiotics very quickly. Need prayer and much provision for Ruis Padilla. Now the report from him... * All 15,000 bibles arrived in Havana without issue. Amen! * He has distributed 10-12,000 so far. Amen! * Done several movie outreaches. 130 civilian salvation decisions, 87 military soldiers chose Christ. 7 of them officers. AMEN! * And Honduras Missions has been offered free land to build a church building on.... amen! That would put us in 3 countries planting churches if it comes to pass... Ruis would like to go back and has an open door invite if the Lord allows him the health to do it. Need prayer and wings... Rom 1:14-15 How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher? And how shall they preach, except they be sent? as it is written, How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things! ** If you would like to help click on the paypal link on the right of this page and just put "for Ruis" in the notes. Thank you***
