How to get maximum exposure for your song writing

<https://www.musicademy.com/song-writing-exposure-success/>

If you have ever recorded a worship song, it is an exhilarating experience, but also a lot of work. First there is the writing, wrestling with the words to make them work with the music and rhyme, and say what God has put on your heart to say. There is capturing the right melodies, and [...]Please visit Musicademy for the full article.The post How to get maximum exposure for your song writing appeared first on Musicademy.
